ATTN: Mr. Marshall Swindell, PM-33

Subject: **Concentrated Sanitizing Rinse Registration Application, EPA Reg. [No. 1677-Pending]**

Dear Mr. Swindell:

Ecolab is submitting a registration application for a new end use product, Concentrated Sanitizing Rinse, a food contact sanitizer. Enclosed you will find all the required EPA forms, data and certification of PRIA payment. We believe this submission falls into PRIA Category A540; new end use product, with a PRIA fee of \$4,863 and a five month decision timeline.

The primary brand name for this product is Concentrated Sanitizing Rinse. Documentation submitted in support of registration may have the experimental names Apex XC Sanitizer, Morrison, Spades, Sanitizing Rinse Aid and 916367, which all refer to the same product.

The Basic Confidential Statement of Formula along with three Alternate Confidential Statements of Formula are included. Due to the manufacturing

Please do not hesitate to contact me directly at the number above should you have any questions or require further information regarding this submission

Sincerely,

A handwritten signature in black ink that reads "Brandy Koslop".
